On The Front Lines With Those Who Serve

Who We Are...

We have served in ministry as Youth/Young Adult pastors and Senior Pastors since 1991. In 2009, we were introduced to overseas missions through iYouth Camps, an international youth camp held every year in Europe. God used this camp to show us the great needs of our military and we stepped out in faith. In 2015 we were commissioned as full-time missionaries and in 2017 we began serving in Germany.

Who We Serve...

Our mission is to reach the U.S. military community in and around Kaiserslautern, Germany with the Good News of Jesus, disciple them, and send them out to reach the world. This area is home to approximately 50,000 active duty military and civilian personnel and their families. It is the largest population of U.S. citizens outside the U.S.

Where We Serve...

Since 2017, we've served as Lead Pastors at True Life KMC Church in Kaiserslautern, Germany. We desire to cultivate a vibrant, family-oriented community for our military families to experience the love of Jesus! We offer a church home away from home with worship services, Bible studies, prayer meetings, children/youth programs, and men's and women's ministries. Find out more at TrueLifeKMC.com.

How You Can Help Us...

We are able to do what we do by faithful supporters like you! We are currently raising a team of monthly prayer and financial supporters in order to return to the mission field. Monetary gifts can be one-time or monthly. Visit our webpage at TheTravers.org to find out how to give. You can also go to Giving.AG.org and search [Account #250163](#) or scan the QR code.

Would You Go too?

We are looking for people to join our ministry team in Germany. Whether a month, year, or a lifetime, there are many opportunities to serve. For more specific information on our ministry needs, contact us at Three4Europe@gmail.com. Go to WideOpenMissions.org to find other ministry opportunities throughout the world.
